Roseland District Families,

This is an important update about Food Bank distribution. Unfortunately, the Food Bank distribution that has been occurring weekly on Fridays at Roseland Creek Elementary School has been canceled and will not continue for the time being. However, families in need of food assistance may pick up free food provided by the Food Bank at the Roseland Village Center on Sebastopol Rd., from 8:30 a.m. to 10 a.m. this Friday. If you need additional information the Food Connections number is 707-523-7903.

Thank you.
