

Virtual Career Day 2021

*Calling all professionals to inspire
Roseland Students about their futures!*

Video submissions due by October 27th, 2021

We are looking for speakers to create short videos of 5-6 minutes.

- Share about your background and professional journey
- Talk about your job & other career-related opportunities
- Inspire students with nuggets of advice and wisdom
- Make it fun!

Create the video yourself, with a colleague or be interviewed and videoed by a family member. We are also happy to come video you in a safe, socially-distanced outdoor setting.

PLEASE SAVE ALL VIDEOS IN MP4 FORMAT.

In November, all RCP, RUP and RAMS will spend a full "Career Day" learning through you and your videos about their future career possibilities. We could not hold this important day for our students without your help!

Please email Jenn Del Rosario at jdelrosario@roselandsd.org for more information. Video submissions due by 10/27/21.
